"With this union (the merger of Family Shelter Service and Metropolitan), Metropolitan Family Services is better positioned to serve our clients. Domestic violence survivors often have multiple, unique needs and joining Metropolitan Family Services gives those clients greater access to the services they need to break free and stay free from abuse."

"I want my kids to volunteer, I want them to give back. My family's very blessed and we have a huge support system. I want my children to know they're very fortunate and that they need to give back and help those who may be going through a difficult time in their life."

"[Domestic violence survivors] have seen the worst of humanity in their abuser. They deserve to see the best of humanity in us."

— JUDIE CARIBEAUX

A CONTINUUM OF SUPPORTIVE SERVICES FOR DOMESTIC VIOLENCE SURVIVORS:
 Metropolitan Family Services DuPage merges with Family Shelter Service

▶ The demand for domestic violence services continues to outpace capacity in DuPage County. We're seeing increasing intersections between domestic violence and other social issues such as education, mental health, addiction and physical health, requiring a coordinated response. The newly merged Family Shelter Service of Metropolitan Family Services DuPage (FSS of MFSD) shifts the coordination of services where it belongs - on Metropolitan, and not our families.

LEADERSHIP IN ACTION

- **"We are truly excited about combining strengths to better serve our clients."** Metropolitan DuPage Executive Director Rita Lopez Brosnan on integrating our agencies
- **"It's about collectively doing more than we can do individually."** Family Shelter Service Executive Director Judie Caribeaux transitions to Metropolitan as Senior Director of Strategy and Innovation
